**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local ISPs provide better service, and are more timely and responsive to technical support problems, as well as specific needs of the individual. I hear many friends with less choices complain about having to pay more money just for bad service. Please support local competition in all future decisions.
